

## The Edmonton and Area Land Trust's Fall Event

**When: Thursday September 23, 2010**

**Time: 7 pm Royal Alberta Museum**

**Cost: \$25.00**

### **EALT is excited to provide a unique opportunity to view Ghost Bird**

**Ghost Bird** is a unique documentary film that will not be released in theaters. The Ivory-billed woodpecker's controversial rediscovery has been well documented in numerous books and in media around the globe. This documentary steps out of the swamp and takes an even wider perspective on the bird's rediscovery, fully exploring all of its political, cultural and economic dimensions. As a result, surprising insights are made and significant facts are uncovered, some having been previously censored. This documentary pursues the unsettling territory of human ambition and wishful thinking.

### **Order your tickets early as seating is limited.**

There will be refreshments provided before and after the film and opportunities to network with other guests, EALT people and volunteers, and see our displays. **Tickets must be paid for in advance and can be picked up at the door.** Please write your \$25 cheques to the Edmonton and Area Land Trust, and mail them to:

The Edmonton and Area Land Trust  
c/o Joel van Huizen  
5512 90th Ave  
Edmonton, AB
